## FUNCTIONAL TRAINER

### BODYCRAFT

# TRAIN THE WAY YOU MOVE

Whether the Motion is for Strength Training, Sport Specific, or Maybe it's a Movement You Perform at Work or During Leisure Activities, the BODYCRAFT HFT PRO Allows You to Train the Way You Move. You Define the Path of Motion Allowing You to Strengthen Every Part of Your Body for the way You Want to Live. It's that Simple. Functional Training also Improves Coordination, Balance, and Increases Core Strength.

### LIMITLESS TRAINING

The HFT PRO'S Dual Stainless Steel Cable Columns Feature Independent 180 Degree Rotational Adjustable Swivel Pulleys with 31 Precision Lasered Height Positions, 61" of Vertical Travel, 80" of Cable Travel, (Single Side) and have an Effective Width of 55" Allowing You to Perform Limitless Functional Exercises.

### ALL THE ACCESSORIES

The HFT PRO Comes with all the Functional Accessories You Will Ever Need. We Loaded this Machine with Dual Contoured Single Handles, Sports Stick, Long Bar, Tricep Rope, Padded Ankle Cuff, Chin/Push-Up Assist Strap, Dual Heavy-Duty 21 Link Adjustment Chain Set, and Exercise Book.

### HERE COMES THE SPEED

The **OPTIONAL** Speed Trainer takes your HFT PRO to the Next Level! Adding the Speed Trainer Allows You to Perform High Speed Exercises such as Boxing, Full Intensity Golf Swings, or Intense Movements such as Power Cleans on the HFT PRO without the Cables and Weight Stack Temporarily Losing Tension. The Speed Trainer Offers You a Brand New Way to Train, Keeping You Motivated while Increasing Your Strength, Power, and Gains.
