GWT56

Olympic Weight Plate Tree and Bar Holder

Featuring a 2"x3" and 2"x4" heavy-gauge steel frame and 1000lb weight capacity, the Body-Solid GWT56 Olympic Weight Tree and Bar Holder is ideal for home, garage, commercial and high-intensity group exercise facilities.

Six 9" chrome-plated weight horns can fit any size bumper or Olympic plates while two Olympic bar holders keep your barbells off the floor.

Welded metal foot and end caps combine with a commercial rating as well as Body-Solid's industry-leading warranty for a durable, reliable weight tree built to last a lifetime.

Special Features

- 2"x3" and 2"x4" heavy gauge steel frame
- Chrome-plated weight posts
- 6 x 9" weight posts
- Two Olympic bar holders
- Spacing permits any size bumper or Olympic plate on any post
- No plastic, welded metal foot caps and end caps
- Commercial-rated
- Weight Capacity: 1,000 lbs.
