

SBB Fixed-Weight Straight Barbells

SBB Fixed-Weight Straight Barbells

Body-Solid Tools SBB Fixed-Weight Straight Barbells are available in 10 weight options (20-110 lbs) and offer a convenient, time-saving barbell option. Constructed with high-quality precision weighted steel inserts encased in durable rubber, Body-Solid Fixed-Weight Straight Barbells eliminate the need for weight plates and are a perfect fit for any-sized fitness facility, group workout facility or home and garage gym. Each Fixed-Weight Straight Barbell features precise knurled grips to ensure safe and secure handling even during intense workouts.
